# JOINT COMPLEX CAPSULES

KRILL OIL // VITAMIN C // VITAMIN E // VITAMIN B6 ZINC // MANGANESE // COPPER // CHROMIUM CHONDROITIN- // GLUCOSAMIN SULFATE

### INFORMATION

Healthy joint, chondral and bones is the requirement for mobility and quality of life in every age. Many older people and even younger people have joint pain in their daily routine.

Overweight, carrying of heavy item, bad sitting in the office, less sport activities and a not balance diet are criterie which occur to joint pain. The use of Chondroitin and Glucosamin helps to increase the synovia between the chondral. Omega 3 is widely known to have a pain-relieving effect.

A unique new source of Omega 3, is sustainable Antarctic krill. Krill is rich in phospholipid-bound Omega 3 fatty acids. Superba™ Krill Oil is a high quality ingredient with more bioavailability as normal fish oil.

# **EFSA STATEMENTS**

**Vitamin B6** contributes to normal protein metabolism & release of glucose stored in the body. **Vitamin C** contributes to normal collagen formation and the normal function of bones and blood vessels.

Chromium and Zinc contribute to normal macronutrient metabolism.

**Manganese and Copper** contribute to the normal formation of connective tissue & contribute to the protection of cell constituents from oxidative stress.

**Vitamin D** contributes to the normal function of the immune system, normal muscle function and to the maintenance of normal bones.
