

SUPREME
PRODUCTS

your perfect solution!

ARCO® has created a special range of products based on the market knowledge we have gained over the last 50 years. These products comprise formulations with high quality **branded ingredients**, which support you with evidence from scientific facts. By using the brand name of the ingredients and the positive EFSA statements on your product, it provides you a clear benefit on the business market.

ARCO® assists you by presenting **high quality product formulation** as a final product solution, ready to market!

ARCO® decides to use a chewing capsule, because children have problems to swallow capsules or tablets. By chewing the capsules the children get easily the important nutrition by a sweet taste for a healthy growing.

your perfect solution!

Omega 3 Fishoil with high concentrated DHA For Kids

 **ARCO®**
ENCAPSULATED CARE

INFORMATION

Omega 3 is widely known to have a positive impact on children's health. It provides among others the natural building block DHA, which may help to maintain healthy brain functions.

Omevital™ Ultra TG is a patented fishoil containing the long chain fatty acids **EPA/DHA** high concentrated with an excellent sensory profile. This makes it easy to integrate it in a chewable capsule without compromising taste or smell.

The lemon taste and flavour of this chewable capsule enhanced the children compliance and the capsule is enriched with Vitamin A and Vitamin D3 to support a healthy growing and development of children.

EFSA STATEMENTS

DHA contributes to the maintenance of normal vision and normal brain function.

Vitamin A contributes to a normal function of the immune system, normal iron metabolism and to the maintenance of normal vision.

Vitamin D3 contributes to the maintenance of normal bones and teeth. Also it contributes to a normal function of the immune system, healthy inflammatory response and to the maintenance of normal muscle function.

BENEFITS

The use of a chewing capsule in combination with Omevital™ leads to an attractive product with clear market benefits

- High compliance by chewing instead of swallowing
- Attractive flavour and taste
- Branded Ingredients
- EFSA statements
